New Rochelle	269	223	46
Peekskill	94	77	17
Port Chester	121	97	24
Rye (City)	33	20	13
Scarsdale (Village)	40	28	12
White Plains	315	269	46
Yonkers	694	614	80
Yorktown	57	40	17

Data source: TSTC analysis of New York State Department of Transportation's Accident Data Files.

1. Multi vehicle collisions involving pedestrians or bicyclists are not always recorded as collisions with pedestrians or bicyclists as it depends on the reporting officer's

interpretation of the crash event and the sequence of the crash event. This may result in an underreporting of vehicle collisions with pedestrians and bicyclists.

Updated September 2013.
