

Burlington County's Most Dangerous Roads

24 pedestrians were killed on Burlington County streets in the three years from 2008 through 2010. Tri-State Transportation Campaign's analysis of federal traffic fatality data reveals that the Burlington Pike (US-130) and Route 38 suffered the highest number of pedestrian deaths over the period. The majority of US-130's pedestrian deaths were between Burlington Township and Delran.
